

SAM2 Church Layby November 2020- December 2020

The SAM was placed facing West in the church layby , for a period of 4 weeks from 19th November – 17th December 2020

During the four weeks a total of 69,004 vehicles were recorded (2,464 vehicles/day) and 5.1% of these were travelling at speeds above 35%. Of the vehicles recorded at speeds of 35mph and above, 95% were travelling at speeds between 35 mph and 44 mph, only 1 vehicle was recorded as travelling at a speed between 65 and 74 mph.

The last data that we have for the church layby is October/November 2019 when the SAM2 sign was facing East and 98,857 vehicles (3,530 vehicles/day) were recorded 3.8% of which were travelling at speeds above 35mph.

The recent data suggest that there are still fewer vehicles on the road than when the SAM2 was in this location.

SAM2 Marham Hill January 2021- February 2021

The SAM was placed facing South on Marham Hill, for a period of 4 weeks from 14th January to 11th February. During this time a total of 21,832 vehicles were recorded (780 vehicles/day). A total of 1029 vehicles (4.7 %) were travelling at speeds between 35 and 54 mph.

The previous vehicle counts for Marham Hill both facing North were Sept/Oct 2020 where 23,691 vehicles were recorded and December/February 2020 where 17,811 vehicles were recorded.
